July 2018

It Starts With You...

The most important and influential position in any organization is the "frontline". We at Front Line Personnel uphold that statement by encouraging our staff to be reliable, flexible, and knowledgeable in all banking assignments. Thanks for making our Front Line the best in the industry.

Outstanding Performance

What's New ?

Orientation Equals Learning and Fellowship

On Saturday, July 14th, Front Line new team members met at the Golden Corral for a "New Hire Orientation" that quickly turned into a fun time "Meet and Greet Luncheon".

New team members were instructed in Front Line teller procedures, employee handbook, workplace etiquette, etc. Everyone participated in a "tricky" pop quiz covering teller procedures. A \$10.00 gift card from Starbucks was presented to the person with the highest score. Congratulations Matt!

We had an awesome time coming together, so be on the lookout for more upcoming events.
